

**MULTICHAMPION ABTISTE**

Dutch, French and International Champion

**Abtiste** 1995-2006, son of Ulysse-Sharon du Sourire Doux and Mattie v.d. Mestrechteneerkes (son of Duc Dali de la Parure) whose father was Odilo v.d. Grimmelsburg.

Our Appie was raised at my mother's home. He had an incredibly nice character. Lovely and devoted. Our Appie never growled. He was a perfect show man, you could ever say being a show man was in his blood. Always alert. He knew exactly what was expected from him.

And it has to be said that when we went to pick him up for a show, my mother always made sure that Appie looked impeccable. Thanks mum. He liked to play with my mother's three cats in his free time. And he also liked to play with our Bert and Balou. Especially when we all went to the seaside. Unfortunately we had to put Abtiste to sleep towards the end of August 2006.
